Matias Cavén joins Mirabel Partners

Mirabel Partners has appointed Matias Cavén as Analyst, starting 5 October 2021. Matias recently graduated with a MSc (Econ), majoring in Finance, from Aalto University School of Business. Matias has previously worked in PwC's Transaction Services team.

"I am excited to join Mirabel. I was attracted by the strong track record and the entrepreneurial company culture. The team is full of seasoned real estate professionals and I am eager to help Mirabel on their growth path", says Matias Cavén.

"We warmly welcome Matias on board. Mirabel's AuM has been steadily growing and also our recent and future launches of further investment strategies require additional resourcing. We look forward to him boosting our deal execution and asset management, as well as contributing to our market research initiatives", adds Andreas Michelsson, Partner and COO at Mirabel.
