Oskar Matero joins Mirabel Partners

Mirabel Partners has appointed Oskar Matero as Asset Manager, starting 18 March 2024. Oskar joins the Mirabel team from JLL.

“I’m keen to contribute to Mirabel’s asset management function. I was attracted by Mirabel’s interesting portfolio and the growth targets of the Mirabel managed real estate strategies, as well as the entrepreneurial company culture. I am excited to join the Mirabel journey”, says Oskar Matero.

“We welcome Oskar on board. At Mirabel we believe that continued growth in the current market environment requires investing into value-creating asset management capabilities.
